

WCC DRESS CODE

Effective July 1, 2023

Members are encouraged to consider common sense, ***respect for tradition***, modesty and the comfort of fellow members and their guests when making casual-attire decisions. It is preferred that our members dress-up rather than down when visiting the Club. While we expect that members will use good taste and judgment, the Board has directed Club Management to discreetly address and review any inappropriate casual attire decisions directly with the member to ensure that the Club maintains a casual environment that is enjoyable for everyone. The Club Management shall have sole discretion and authority in matters of appropriateness of attire. ***Members will be deemed responsible for seeing that their guests are appropriately attired.***

*** Exceptions to the dress code will be theme parties or other designated and private events. Club Management will provide detail and approval prior to the scheduled event. Dress code is subject to change at any time.
